Dear Charlie:

Thanks for your letter of October 31st. It was good to hear from you. I wish I could join you for your district conference March 31st, but I will be on the West Coast at that time and therefore unable to do so.

Over the last 10+ years I have managed to visit a number of important Rotary Clubs, including St. Louis, Chicago, Philadelphia, Richmond and Phoenix. I never cease to take inspiration from the quality of the audience, the warm reception and the obvious dedication to country represented in Rotary.

Please remember me to Jane. All my best,

Sincerely,

William H. Webster

Dear Bill:

Since July 1st of this year, it has been my privilege to serve as ~~Rotary International's Governor of District 605.~~ In this capacity, one of my responsibilities is to hold our ~~annual District Conference~~ which this year will fall on March 31 and April 1, 1989 at Marriott's "Tan-Tar-A" at the Lake of the Ozarks. The purpose of the conference is to provide educational, motivational and inspirational programs for the Rotarians in our district along with good entertainment for all. We expect 500 to 600 Missouri Rotarians of the district to attend, with the Rotary Club of St. Louis acting as the host club.

Accordingly, it is my ~~pleasure to invite you to be the luncheon speaker on Saturday, April 1st.~~ This luncheon is one of the main events of the conference and you would be a real drawing card for us. Last year, Governor Ashcroft spoke at this luncheon, and of course, he added a great deal of interest and importance to that occasion.

Of course, your travel expenses, food and lodging would be furnished by the Conference Committee and the St. Louis Rotarians would be honored if you could attend.

Do let me know, Bill, if there is any possibility that you could fit this into your busy schedule.

Sincerely,

Charles G. Schott, Jr.  
Governor District 605  
Rotary International
